Mountain Waste & Recycling  
PO Box 999  
Carbondale, CO 81623

Dear Customer,

Thank you for allowing Alpine Waste and Recycling to provide you with Transfer Station and Landfill services. We are grateful for the opportunity to serve you.

This letter is to notify you of your service rate effective March 1<sup>st</sup>, 2016. Over the last few years our customer base has grown substantially. In order to continue to provide the same level of customer satisfaction, a companywide expansion was necessary. Such expansions are costly and increase cost of operations. As a result of these cost increases, it is necessary to pass on a price increase to our customers. *The new rate will be \$36.00 per ton with a 2 minimum, excluding fuel charges, taxes and fees.*

As always all of us at Alpine Waste & Recycling are aware that we are here because of you. Thank you for understanding that this price increase means that we can continue to maintain the superior standard of service for the coming year.

Sincerely,

John Griffith
